Make-Ups & Expedited Retakes

TBD

SOL tests cannot be administered remotely; students must be administered the test(s) in person. It is the priority of Dinwiddie County Public Schools to protect the health and safety of all staff and students while adhering to this mandatory requirement. Therefore, Dinwiddie County Public Schools will follow the CDC guidelines. All staff and students will undergo a health screening and temperature checks before entering the building on test days. All staff and students will be socially distanced and will be required to wear an appropriate mask or face covering during the SOL test administration. In addition, all testing locations will be properly cleaned and sanitized.

If you have any questions or concerns, please feel free to contact me by phone, (804) 469-4190, or email, ssmith-tucker@dcpnsnet.org.
